Annual Science Symposium 2024

Academic

Symposium

About the Event

Join us for the premier gathering of scientific minds at the university. This year's symposium focuses on sustainable technologies and interdisciplinary approaches to global challenges. Featuring keynote presentations from leading researchers and interactive panel discussions.

The event is open to all faculty, graduate students, and invited guests. Registration is mandatory for access to specific workshops and the evening networking reception.

Speakers

Dr. Eleanor Vance

Department of Environmental Sciences

Prof. Marcus Sterling

Institute for Advanced Physics

DATE & TIME

 **October 15, 2024**

09:00 AM - 05:00 PM EST

LOCATION

 **Grand Auditorium**

Main Campus Building, Level 2

ORGANIZER

 **Science Faculty Council**

RSVP Now

Registration closes Oct 10th
